REXBURG WELCOMES THE IEC: HIGHLIGHTS FROM OUR GRAND OPENING

We had a wonderful grand opening on August 22 and want to share some highlights from the evening. All those who attended walked away with clear vision of where the IEC was headed and how they could get involved.

We kicked the night off with a ceremonial ribbon cutting conducted by the Rexburg Area Chamber of Commerce, symbolizing a new chapter of support and growth for local entrepreneurs and small businesses. We moved inside for refreshments and networking (shout out to Righteous Slice for donating pizza to the event). Attendees were able to tour our space and learn more about the entrepreneurial and municipal resources we provide.
